

5148-Hammerberg

June 5, 1922

Miss Ella S. Hudgins,  
State Board of Parole,  
State Capitol,  
St. Paul, Minn.

Dear Madam:

We have a notice on the minutes of the recent Board of Parole meeting in regard to Hammerberg, #5148, that I was to write to Mr. Silberstein. I have no notation as to what this was for and presume it was some letter that Mr. Swendsen received. However, either he or Mr. DeWitt took it back with him so I am at a loss as to just what was intended. Will you please look it up?

Very truly yours,

cev-er

Superintendent.
