Mr. C. J. Johnson,
Box 26,
Sax, Minnesota.

Dear Sir:

Your letter of June 27th offering employment for your nephew, Carl Hammerberg, has been received. However, this boy's mother has found employment for him in Duluth, and as she was very anxious to have him come home, we thought it best to send him to Duluth.

I wish to assure you, however, that your offer of employment is appreciated.

Very truly yours,
